4. Secretary, Education apprised the Expenditure Finance Committee that there is acute shortage of classrooms, laboratories, toilets, activity rooms, Multi Purpose Hall etc. in existing schools. A survey of student strength versus class rooms was conducted by Directorate of Education for identifying the schools where student's classroom ratio was found to be around 50 or more. 193 such schools have been identified having student classroom ratio of more than 50. Accordingly, on this feedback the requisition was placed to PWD for construction of additional class rooms to fill this gap of student class room ratio before next academic session to provide infrastructure for meeting the educational needs of students as per the provisions of RTE Act, 2009. The feasibility of construction of additional rooms was arrived after a preliminary survey conducted by PWD and the followings requirements were assessed:

S.N	Name of the proposal	No. of schools	No. of addl. rooms
1.	Zone – 18 (District West)	16	675
2.	Zone 9 & 10 (District North West-A)	28	533
3.	Zone 24 (District South)	11	450
4.	Zone – 4 (District North East)	19	511
5.	Zone 17 (District West-B)	14	612
	Total	88	2781

5. Chief Engineer, PWD apprised the committee that the proposals for construction of additional class rooms in existing school premises as mentioned from SI.No. 1 to 5 (below para 1 above) are as per the requirement by Directorate of Education. Estimates are based on DPAR 2012 plus 4% cost index as per CPWD norms minus 12% as per GNCTD norms including 1% each for contingencies, quality assurance and labour cess. Further, Chief Engineer clarified that the semi- permanent structure (SPS) proposed to be constructed is a four storeyed RCC frame structure with provision of latest Earth quake proof design of Zone –IV as IS code, stone flooring, granite on counters, ceramic glazed tiles in wall of corridors and toilets, stone grit wash plaster on external walls. These specifications are equivalent to the specifications of pucca school buildings except roofing.
