MEMORANDUM

The Commission on the Health of Canadians is pleased to report to the Minister of Health on its findings and recommendations regarding the health of Canadians. The Commission was established in 1993 by the Minister of Health to provide an independent and impartial assessment of the health of Canadians and to recommend ways to improve it. The Commission's mandate is to identify the major health issues facing Canadians and to recommend ways to address them. The Commission's report is the result of a comprehensive review of the health of Canadians and of the health care system. The Commission's findings and recommendations are set out in this report.
